## ASTHMA ALLERGIES CHILDREN: A PARENTS GUIDE

Third Avenue Books. Paperback. Book Condition: New. Paperback. A veritable bible for parents of allergic kids. I enjoyed Asthma Allergies Children tremendously. It is full of the kind of great stories that teach both patients and doctors more than mere facts. The science is explained in language you dont need an MD to follow. This book should be kept right next to the antihistamines and epinephrine, and used even more frequently. --Dr. Lisa Sanders, author of Every Patient Tells a Story. Her NY Times column Diagnosis inspired the TV drama, House MD. Two renowned, board-certified pediatric allergists report from the front lines of science and clinical practice. The book explains what allergies and asthma are, and why they are expanding. You will hear about the myths and realities of treatment, and how you can involve the whole family in making life better for your allergicasthmatic child. Myths and realities of food allergy. Charts of medications. Alternative treatments. How the environment at home and in your neighborhood affect your childs health. How a pediatric allergist can reduce your childs dependence on medication or end it altogether. Strategies for busy parents. And much more. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
