But when Libby needs money for a new backpack, Goppy decides to teach her a valuable lesson about responsibility and frugality. He shows her how to earn her own money, and together they learn the joy of honest work and financial independence. It is never too early to begin teaching children about self-responsibility and the fundamentals of conservatism, and in this charming and humorous tale, Scott and Andrea Smith prove these lessons can be learned in an enjoyable and entertaining way. Children will identify with Goppy's prudence and Libby's tenacity, and together, children and their parents will learn how to Teach a Donkey to Fish. Andrea and Scott Smith are the not-so-normal parents of two young kids living in beautiful upstate South Carolina. Although not farmers by trade, Andrea and Scott wanted to plant the seeds of conservatism in their children at an early age.
