Times Group Books, New Delhi, India, 2015. Softcover. Book Condition: New. First Edition. Everybody looks forward to enjoying college life after passing school. However, selecting the right career option is one of the most difficult decisions for a student. Almost all of us go through this dilemma after passing class 12th exams. While some are aware of the courses available and the right approach to go for it to reach their career goals, while others are clueless about the courses or the colleges to take admission in. Today, there are lot many options for class XII pass outs, in which they can pursue their graduation. However, there are no safe careers as such. One will do well in life if they follow their interest. The course one selects for graduation is the stepping stone towards building his/her career, so whatever course one chooses, it must be in accordance to his/her passion. Also, the course one chooses must assure a good scope for career options. Select a field that has chances of growth in the future. Countercheck all the details about the course and its significance in the industry. It happens often that we are misled by the opinions of others and take wrong decisions, so make sure you do not fall prey to any kind of pre-conceived assumptions. College will get over in three years but the course will stay forever. Its also better to get a general undergraduate degree than go for a programme that restricts future options, if ones unsure where ones heart lies. If a student has an interest in more than one course, they should choose the one that has a broader scope. The possibility of doing post-graduation in that subject is then higher, since fewer seats are available at the postgraduate level. Students should always take...
