Carpet Bombing Culture. Hardcover. Book Condition: New. Hardcover. 256 pages. Dimensions: 8.0in. x 5.6in. x 1.0in. The highest production values possible and a zen-like dedication to perfection merge to create a book that will be revered as a stunning tribute to the beauty of graffiti art today. Burn After Reading is accompanied by insights from some of the leading personalities of 21st century graffiti art who discuss their thoughts, observations and perspectives, offering a unique look into this much misunderstood genre of art. Graffiti art, unlike its younger cousin Street Art, has both a huge underground and above ground following, built up through decades of evolution and...
