Reviews

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Enrique Labadie)

BY BLOOD WE LIVE (PAPERBACK)

NIGHT SHADE BOOKS, United States, 2009. Paperback. Book Condition: New. Original. 226 x 150 mm. Language: English . Brand New Book. From Dracula to Buffy the Vampire Slayer; from Castlevania to Tru Blood, the romance between popular culture and vampires hearkens back to humanity's darkest, deepest fears, flowing through our very blood, fears of death, and life, and insatiable hunger. And yet, there is an attraction, undeniable, to the vampire archetype, whether the pale European count, impeccably dressed and coldly masculine, yet strangely ambiguous, ready to sink his sharp teeth deep into his victims' necks, draining or converting them, or the vamp, the count's feminine counterpart, villain and victim in one, using her wiles and icy sexuality to corrupt man and woman alike. Edited by John Joseph Adams (Wastelands, The Living Dead), *By Blood We Live* gathers together the best vampire literature of the last three decades from many of today's most renowned authors of fantasy, speculative fiction, and horror, including Stephen King, Joe Hill, Garth Nix, Neil Gaiman, Kelley Armstrong, Ken Macleod, Harry Turtledove, Carrie Vaughn, and Tad Williams. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.
