Orion Publishing Co, United Kingdom, 2010. Paperback. Book Condition: New. Trade paperback. 194 x 128 mm. Language: English . Brand New Book. More games are lost by making the incorrect opening lead than by any other play. This excellent guide will be a blessing to all those keen to improve their game and their results. The opening lead is one of the toughest areas of the game. By following the guide-lines in this book not only will you find the winning lead more often, but also you will be able to avoid the futile or dangerous leads which make declarer s task easier. By giving less away with the opening lead, your scores are bound to improve. This book is about the logic and methods for finding the best lead time and time again. The first section deals with the approach you should adopt before you even consider plucking a card from your hand. It provides a series of steps to enable you to come up with the best start. This is followed by a section of practical problems that arose in major competitions where the very best players did not always find the right answer. Most importantly, the solutions to each problem include the logic behind the right choice and the clues that should point you in the right direction. After completing this book, perhaps you will not find the killing lead every time, but you will find it more often.
