WestBow Press, United States, 2013. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.King David I know, but who are you? What does the average Bible reader know about Amasa or Rizpah, and why does it matter? Family Portraits is an intimate look at the lesser-known members of the four main families of 12 Samuel (Samuel, Eli, Saul, and David) and the important lessons they can teach us. The books of Samuel are about how family life and national interests affect one another. The current state of the family and the national crises that constantly confront our world make 12 Samuel very relevant for our times. Find out: how Michal goes from loving to despising David what Eli's eating habits have to say about his spiritual condition whether Bathsheba is a conniving or naive young woman why Absalom rebels against his father and divides a nation Discover what all of this has to say about our own family, nation, and personal relationship with God. Family Portraits concentrates on the themes of the books of Samuel as a guide to understanding each character. You will not only gain an understanding of lesser-known characters but a richer understanding of God's message in 12 Samuel. Filled with practical insights based on sound scholarship, the truths discussed in Family Portraits will at times convict and challenge, while seeking to encourage a deeper relationship with God.
