CINEBOOK: The 9th Art Publisher, Canterbury, 2015. Paperback. Book Condition: New. 1st English Edition. 48pp Suitable for: 15+ years. In stock in Australia NOW for immediate delivery! The IRS is on the frontline of a new kind of war! Is the world barrelling towards the apocalypse? Russian commandoes are positioned around Georgia and its vital pipelines, fanatical terrorists are bent on eliminating Saudi Arabia's reigning family . With oil barons indifferent to the potential damage their stock market manipulations could cause, only one man stands against a scheme of utter cynicism: Larry B. Max. This time, the IRS agent intends to stop his sworn enemy Madsen for good - and rescue the woman he's loved for so long, Kate. 'The greatest recommendation I can give you on this one is that it's a book you'll sit and devour in one sitting and finish with a thoroughly entertained smile over your face' [Richard Bruton, The Forbidden Planet International Blog]. Larry B. Max is an unusual specialist from a little-known branch of the I.R.S. with every technological method at his disposal to link high finance and high crime. A series that's very much in touch with the third millennium: gritty storylines in a realistic thriller with heated emotions.
