A few of Verdi s letters.--Artistic character of the master.--His opinions and doctrines in relation to art, the theatre, and musical education.--Portrait of Verdi by Guerazzi. As far as lies in my power, I have given all the details of the career of Verdi--that career which began obscurely with Oberto di San Bonifacio, and ended, thirty-one years later, with that masterpiece which is called A ida. I have endeavoured, in the course of this work, to unite the man and the artist, and to bring into relief his character at the same time as his genius. If I have, of set purpose, almost completely abstained from criticism--that is to say, from all attempts at discussing his merits--and if I have wished to make the work impersonal, I have not pretended to make it the work of a sceptic. Without having at any time entered into discussion, I have at least allowed my impressions, whether from an artistic or a moral point of view, to peep through. I have no intention of altering my plan, but I wish to add here some information which will complete our personal acquaintance with Verdi, and will also put the finishing touches to his portrait as an artist. A few of the master s letters will be of assistance in this conclusion of my task. These letters are very few; for while some artists are always anxious to be writing, and delight to see themselves in...
