Brand New Book ***** Print on Demand *****.Happily ever after doesn't always start with first comes love. Gabriel Maguire thought he'd buried his past until the night he met Holly, only to lose the woman he cared about, again. Holly Jacobs has always put the cart before the horse. A prodigy who shot to stardom in textile design, she never knew a normal life-and there's nothing she longs for more than to be normal. Pregnant before she even knows the name of her baby's father, Holly has put the cart miles ahead of the horse this time. But when she and Gabe meet for the second time, they decide to have their baby together. Holly finally begins to accept her unique way of doing everything backward, but Gabe's very normality drives her up the walls. Then his tragic past rears up; pain and loss threaten to destroy forever the fragile bond that has blossomed between him and Holly. Sometimes the only way to get where you need to be is to put the cart before the horse.
