Duckbills and Boneheads (Hardback)

By Michael Benton

Flowerpot Press, United States, 2014. Hardback. Book Condition: New. James Field (illustrator). 290 x 218 mm. Language: English . Brand New Book. Discover the uncovered mysteries of duckbilled, horned, and bonehead dinosaurs in this amazing book all about these special kinds of dinosaurs! Vivid reconstructions of these extinct beasts that had bills like ducks, crests, horns, and bony skulls will transport young readers into the age of the dinosaurs as they explore the most recent discoveries of how they lived and evolved. Unearth the dinosaurs, like real life paleontologists, as fossils, informative segments, and diagrams recreate the world of these ancient creatures. Filled with question and answer segments, colorful illustrations, spot and count features, fun facts, and projects, young readers will enjoy this interactive and educational book and its activities. With rich language and eye-popping graphics and treatments, children of all learning styles will connect with this text!.
