## Odd 1 Out: Patterns

By Smith, Kathryn. Fuller, Rachel, Illustrator.

Arcturus. 1 Board Book(s), 2013. soft. Book Condition: New. "All these things are stripey, but this one is a different pattern. Can you see, it has . spots." Things with stripes, spots, zigzags, spirals, and waves from zebras and pajamas to lollipops and wiggly worms are all compared here. This intriguing board book cleverly uses die-cut windows to allow prereaders to directly contrast various qualities of everyday items. Each two-page spread shows a number of objects with something in common, along with an odd one, seen through the cut-out window. Turn the page to see the group that the odd item really belongs to, along with a new "odd one." 10.
