

Children in the Church: An Orthodox Perspective

By Margaret Magdalen

St Vladimir's Seminary Press, U.S. Paperback. Book Condition: new. BRAND NEW, Children in the Church: An Orthodox Perspective, Margaret Magdalen, These reflections from "Children in the Church" are based on a series of informal talks given to Orthodox Christian parents at the Monastery of St John the Baptist, Essex, England. In essence, they encompass many aspects of Christian life: marriage and the Christian family, prayer in the Christian home, the example of Christian parents, the Christian education of children, liturgical and spiritual life, leisure time and social life, and Christian life in the teen years. Sister Magdalen's major emphasis is that "if children are conceived, born, and brought up surrounded by prayer and love, they will grow up as spiritual persons and thus fulfill their human vocation".
