Brand New Book ***** Print on Demand *****.In *The Measure of His Grief*, a Berkeley Jewish physician wages a campaign against infant circumcision-and becomes more deeply committed to Judaism in the process. Dr. Sandor (Sandy) Waldman, perceptive but nutty, self-absorbed but a visionary, fails to grasp the extent to which he s risking his marriage and career as he lives and breathes the circumcision controversy. Sandy is appalled-yet intrigued-by a curious online discovery: a local support...
