Brand New Book ***** Print on Demand *****.The Earthquake Called Divorce Hits It levels everything once thought to be true and stable. Its devastation is unbelievable. In the rubble are broken relationships, unfulfilled dreams, destroyed identities and undefined futures. Divorce is hard enough on adults, but for children - vulnerable victims - this landslide can be overwhelming. As parents deal with their own hurts, disappointments and anger, children take a back seat. Lacking the maturity to see the big picture, confusion enters and unhealthy coping strategies are used as they struggle to keep their balance. This is the story of ten-year-old Katie, a real person, whose world is crumbling before her very eyes. She moves from what is familiar and steps into a surreal world where she is forced to examine her emotions. Strange, deep emotions that are hard to voice. I love both parents. How can I choose or take sides? I feel so helpless. Everything is falling apart, and I don't know how to make it better. How did I cause this? What does my future look like?...
