Kathleen Webb, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The prophecy reads: Five will remain. The orphan, the divided, the heart, and the brave. They will be the final hope of mankind, and through them, all life will evolve. The Old Immortals have walked the earth for more years than they care to count. Their descendants have been killed off one by one until all that remains are the five from the prophecies. Now, they must join their final descendants, the Evolved, to destroy those they had once called brothers. Thatcher Kline is a ward of the state, a runaway and a loner. He likes to be alone; other people make him uncomfortable. When he meets the Callaghan twins, he feels a connection he can't comprehend. Distant relatives raised Nora Lowell after her parents died in a car wreck. She lives in a constant state of suspension as she waits to be joined by others like her. When Nora learns that the others are on their way, she feels like her life can finally begin. Their paths were destined to meet; their lives were destined to be intertwined as those of their ancestors, the Old...
