Brand New Book ***** Print on Demand *****.Cursed by her over-sized feet and an extraordinary sense of smell -- which makes her a world-class Ecological Malodor Detector -- perplexed by the disappearance of her beloved Tio Ramon, confused by her upbringing in Ohio as an immigrant from a little known Caribbean island called Quichemala, Anabela Quintal returns to her birthplace to confront her failures. Will the people of Quichemala survive the crisis to reach 2012, when human domination of the Earth will...
