Speedy Publishing LLC, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Children would love a big coloring book because it is different than the standard coloring books made for kids. They can lie on the floor and color to their hearts content. Once their masterpiece is finished, they can hang the picture in their bedroom, like they would hang up a poster. This is much better than them drawing on their bedroom wall in order to create their own artwork. This is a much better alternative.
