Brand New Book ***** Print on Demand *****.Ideas are like embers; they spark from some great fire, fly free, and glow for a while on their own. Some flicker out before they land. Others, though, ignite a new fire, which will cast a great light upon the world. Mara is a young girl living in the height of the Italian Renaissance. When she runs away from home to join a group of scholars, she is ushered into an unseen world of fantasies - where the forests, flowers, and fields all have words to say. They know that knowledge of the sequence bears implications of powers beyond even Mara's own wild imagination, and seek to stop her. Mara realizes that in order to unravel the inner clockwork of the world, she must be able to see it with unadulterated eyes. But this means turning a blind eye to the impending perils of the cult and a brewing war. She must choose between dealing with the realities of...
