Random House Inc, United Kingdom, 2008. Hardback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book. Rachel Cline's debut novel, *What to Keep*, was praised as "striking . . . lovely" (Entertainment Weekly), "tangibly real" (Los Angeles Times), and "eminently readable" (Salon). Set in 1990s Hollywood, *My Liar* portrays the complex connection between two talented women, each striving to realize her own vision of success in work and in love. Annabeth Jensen, thirty-three, is a film editor. A native Minnesotan, she is most comfortable playing nice and working behind the scenes, even after ten years in Los Angeles. Then she crosses paths with up-and-coming director Laura Katz. Self-confident, assertive, and alluring, Laura seems to be the perfect mentor and the ideal best friend—especially after she hires Annabeth to edit her new film, *Trouble Doll*. Yet as Annabeth cuts and recuts the film that both women hope will assure their futures, she finds herself wanting creative control almost as badly as she craves Laura's approval. Meanwhile, Laura, who trusts almost no one (certainly not her slippery producer, her brittle screenwriter, or her wayward husband), finds herself increasingly reliant on Annabeth. And when *Trouble Doll* emerges from their collaboration, uncomfortable truths about both women's lives are forced into the light. Rachel Cline illuminates the world of moviemaking with keen insight and wry wit. But *My Liar* looks far beyond the HOLLYWOOD sign. Its real subject is self-deception—in friendship, art, and life—and the enmeshed nature of communication and competition between women. Praise for *My Liar*: "Veteran screenwriter Cline's second offering confirms her ability to expertly render complex characters entangled in uneasy alliances." *Booklist* "My Liar is a seductive charmer of a novel—funny, knowing, poignant, (inclusively) hip and gratifyingly adult at the same time. It is impossible not to be drawn...
